## Cross-Region Scheduling:

### **Cross-Region Scheduling** (Basketball & Baseball)

The Athletic Committee has adopted a policy that each Class 3A school will schedule a minimum of two schools in each of the other 2 regions (at least 1 game / flip-flopping home/away the next year). This will serve two purposes. It will help in seeding purposes and it should add more balance of 3A SCISA games on all schedules.

Region Results will still be the determining factor for playoff eligibility.
