

The South Carolina Independent School Association

Required 2018-19 Online Courses

The goal of every high school administrator, coach and the sports medicine team is to allow their athletes to participate safely and injury free. Sports provide an opportunity for competition, teamwork, dealing with success and adversity and most importantly to develop a framework for future successes. Sport injuries are an inherent risk of athletic participation. The South Carolina Independent School Association's position is that coaches are better prepared to fulfill his or her responsibility when properly prepared. SCISA requires the following online courses through NFHSLearn.

These courses are required annually (every year)

Concussion In Sports <https://nfhslearn.com/courses/61151/concussion-in-sports>

Heat Illness Prevention <https://nfhslearn.com/courses/61140/heat-illness-prevention>

These courses are required to be completed every two years (after initially completing the course)

NFHS Sportsmanship Course <https://nfhslearn.com/courses/61130/sportsmanship>

Bullying, Hazing and Inappropriate Behaviors
<https://nfhslearn.com/courses/28000/bullying-hazing-and-inappropriate-behaviors>

Engaging Effectively with Parents <https://nfhslearn.com/courses/61154/engaging-effectively-with-parents>

Sudden Cardiac Arrest <https://nfhslearn.com/courses/61032/sudden-cardiac-arrest>

All First Year Head Coaches will complete the NFHS Course

Fundamentals of Coaching <https://nfhslearn.com/courses/61113/fundamentals-of-coaching>

* Note: this is not a free course

Additional Courses for your consideration

Football:

Blocking and Defeating Blocks, Shoulder Tackling and Equipment Fitting

*Note: this is not a free course

<https://nfhslearn.com/courses/61136/blocking-and-defeating-blocks-shoulder-tackling-equipment-fitting>

All Sports:

First Aid, Health, and Safety for Coaches <https://nfhslearn.com/courses/26/first-aid-health-and-safety>

* Note: this is not a free course

This First Aid, Health and Safety course, brought to you by the NFSH and the American Red Cross, is designed to provide an overview of first aid and the best practices for many first aid situations. The skills taught in this course do not replace professional medical help but offer guidelines and techniques for temporary assistance until advanced medical help arrives. American Red Cross certification is current for a period of two years from date of course completion.

The Head Coach shall be CPR certified.

2019-20 School Year

By August 1, 2019 - All coaches will be CPR and AED certified.
